# ABOUT US

We are a start-up initiative, a newly established company in 2021 by a group of young professionals from various sectors in the infrastructure industry. Our highly skilled and experienced team is well equipped with industry-best knowledge, standard, and practices to fulfil the need of growing India infrastructure industry at a competitive cost.

# OUR VISION

TO BE AMONGST THE MOST ADMIRERD AND MOST TRUSTED INTEGRATED UTILITY COMPANIES IN THE WORLD, DELIVERING RELIABLE AND QUALITY PRODUCTS AND SERVICES TO ALL CUSTOMERS AT COMPETITIVE COSTS, WITH INTERNATIONAL STANDARDS OF CUSTOMER CARE- THEREBY CREATING SUPERIOR VALUE FOR ALL STAKEHOLDERS.

TO SET NEW BENCHMARKS IN STANDARDS OF CORPORATE PERFORMANCE AND GOVERNANCE THROUGH THE PURSUIT OF OPERATIONAL AND FINANCIAL EXCELLENCE, RESPONSIBLE CITIZENSHIP AND PROFITABLE GROWTH.

# OUR MISSION

To attain global best practices and become a world-class utility.

To create world-class assets and infrastructure to provide the platform for faster, consistent growth for India to become a major world economic power.

To achieve excellence in service, quality, reliability, safety and customer care.

To earn the trust and confidence of all customers and stakeholders, exceeding their expectations and make the Company a respected household name.

To work with vigour, dedication and innovation with total customer satisfaction as the ultimate goal.

To consistently achieve high growth with the highest levels of productivity.

To be a technology driven, efficient and financially sound organisation.

# OUR BUSINESS

## CIVIL CONSTRUCTION

- Residential Buildings.
- Commercial Buildings .
- Hospital Buildings.
- Government and Institutional Buildings.
- Roads.
- Bridges.
- Railways.
- Toll Plazas.
- Elevated Corridors.

## MECHANICAL CONSTRUCTION

- HVAC Systems.
- Plumbing.
- Electrical Systems.
- Installation of all type of Equipment's, Structure, Pipeline etc.
- All Plant Maintenance & Shutdown Jobs.
- Specialists in all Types of Mechanical Maintenance & ARC Projects.
- All Kind of Built Drawings.
- All kind of fabrication and erection work.
- Dismantling of mechanical structure.

## ELCTRICAL CONSTRUCTION

- Complete Electrical Project Engineering.
- Electrical installations. in industrial facilities.
- Electrical Check-Out & Start-Up.
- Indoor/Outdoor Lighting.
- Electrical Floor Plan Layouts.
- Electrical Power Distribution Systems.
- Primary and secondary cable network.
- Solar and renewable energy solution.
- Structured cabling for homes and businesses.

## PIPELINES PROJECTS

- Hauling and stringing.
- Trenching.
- Bending.
- Welding & Radiography.
- Joint coating.
- Lowering.
- Backfilling.
- Tie-ins.
- Crossings.
- Hydrotesting.
- Valves installation.
- Final clean-up and restoration.
- Clearing and Grading Operation.
- Line preservation.
- Cathodic Protection.
- Commissioning.

## CONSTRUCTION ALLIED SERVICES

- Technical Manpower Supply**
- Design Engineers.
  - PDS / PDMS / Stress Engineers.
  - CAD - Micro station Operator - (Draughtsman).
  - Site Engineers (Mechanical / Piping / Electrical / Instrumentation).
  - Process / Chemical Engineers.
  - Construction / Erection / Shut Down Staff.
  - Fitters / Supervisors / Foreman / Welders / Riggers etc.

# CIVIL CONSTRUCTION

Our team of structural engineers and designers leverage their “out of the box” creativity to develop and implement cost effective, intuitive, robust solutions for structural challenges. From reinforcing an existing building column, to designing the foundations and steel for a multi-story heavy industrial processing building, we have the skill set, knowledge base, and experience to fill your structural needs, large or small. We provide following services-

❑ **Buildings:** Kawachi Infratech’s Buildings construction is a business vertical that is equipped with the domain knowledge, requisite expertise and wide-ranging experience to undertake Engineering, Procurement and Construction (EPC) of all types of building structures through its dedicated Business Units.

- Residential Buildings
- Commercial Buildings
- Hospital Buildings
- Government and Institutional Buildings

❑ **Transportation Infrastructure:** In this business vertical we offer following services

- Roads
- Bridges
- Railways
- Toll Plazas
- Elevated Corridors

# MECHANICAL CONSTRUCTION

Our team of mechanical engineers and designers leverage their “out of the box” creativity to develop and implement cost effective, intuitive, robust solutions for mechanical challenges. Construction management and monitoring of site activities has been one of the core competencies of Kawachi Infratech and it has extensive specialized experience in this field. We are specialized expertise in

- ❑ Detailed Turnkey Projects Execution that includes Piping Fabrication & Erection
- ❑ Structural Fabrication & Erection, Equipment Fabrication & Erection
- ❑ Time bound Shutdown Jobs, Pre-commissioning & Commissioning of Mechanical, Electrical & Instrumentation Systems.
- ❑ Construction Monitoring & Co-ordination, Assistance in Procurement service for civil/structural/equipment erection work.
- ❑ Mechanical Piping, Structure, Equipment Fabrication and Erection works.
- ❑ Installation of all type of Equipment's, Structure, Pipeline etc.
- ❑ All Plant Maintenance & Shutdown Jobs.
- ❑ Specialists in all Types of Mechanical Maintenance & ARC Projects.
- ❑ All Kind of Built Drawings (Process, Civil, Mechanical, Piping, Electrical, Instrumentation) We are equipped with latest equipment, Tools & tackles required for construction/fabrication/electrical/Instrumentation works. We continue to enhance our capability to support construction activities at par excellence.
- ❑ All kind of fabrication and erection work.
- ❑ Dismantling of mechanical structure.

# ELECTRICAL ENGINEERING

Our team of electrical engineers and designers apply their deep knowledge of electrical codes and fundamentals coupled with their hands-on experience to design and implement cost-effective, intuitive, robust solutions for electrical challenges. From a short circuit/fault current analysis to an arc flash study, electrical gear upgrades to entire industrial plant electrical power and motor control systems, we have the skill set, knowledge base, and experience to fill your electrical needs, large or small. Our service include

- ❑ Complete Electrical Project Engineering.
- ❑ Electrical installations in industrial facilities.
- ❑ Electrical Check-Out & Start-Up.
- ❑ Indoor/Outdoor Lighting.
- ❑ Electrical Gear and Installation Services Procurement Support.
- ❑ Feasibility Studies.
- ❑ Cost Estimating
- ❑ Electrical Floor Plan Layouts.
- ❑ Electrical Power Distribution Systems.
- ❑ Primary and secondary cable network.
- ❑ Solar and renewable energy solution.
- ❑ Structured cabling for homes and businesses.
- ❑ Electrical installations in industrial facilities.
- ❑ Electrical Check-Out & Start-Up.
- ❑ Telephone and computer installations and networks.
- ❑ Telecommunication networks and systems.

# CONSTRUCTION ALLIED SERVICES

Unmatched knowledge of processes and technologies, result-oriented solutions, proficiency to design, engineer and manage projects of any type or scale is the specialty of our professionals. On demand we can depute manpower in very short period notice.

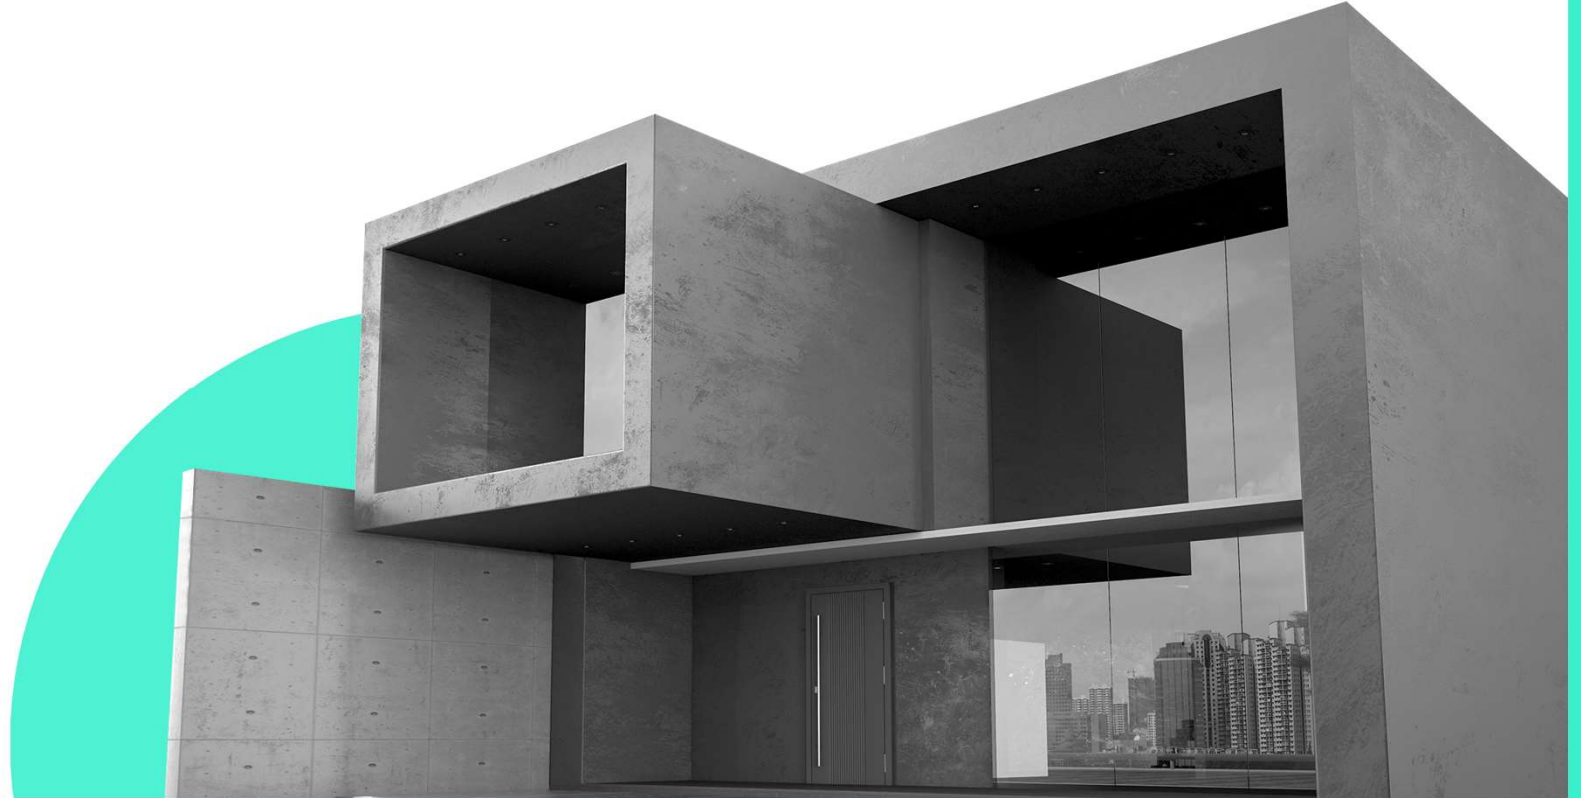

## ❑ **Manpower Supply**

- PDS / PDMS / Stress Engineers
- Design Engineers
- CAD - Micro station Operator - (Draughtsman)
- Site Engineers (Mechanical / Piping /Electrical / Instrumentation)
- Process / Chemical Engineers
- Construction / Erection / Shut Down Staff
- Fitters / Supervisors / Foreman / Welders / Riggers etc

## ❑ **Procurement Services & Other services**

- Consulting services in relation to procurement of machinery (whether new or old), tools and materials locally or overseas.
- Consulting services in relation to procurement of Moulds and Die etc.
- Providing leasing and rental services of commercial spaces and factory spaces.
- Painting services.
- Repair and maintenance of Civil, Mechanical, Electrical fittings and Pipeline structure.

“ BUSINESS OPPORTUNITIES ARE LIKE BUSES.  
THERE'S ALWAYS ANOTHER ONE COMING. ”

# MEET OUR TEAM

**Chandan  
Bhardwaj**

Chairman & CFO

**Kumari Soni**

Director

**Niraj Kumar  
Bhardwaj**

VP Operation Mechanical

**Rajiv Ranjan**

Chief Consultant Electrical

# MEET OUR EXTENDED TEAM

**Chandan Bhardwaj**

Chairman & Director

**Kumari Soni**

Director

**Niraj Bhardwaj**

VP Operation Mechanical

**Deepak Kumar**

Chief Consultant- Civil

**Brajesh Pathak**

Chief Engineer Electrical

**Rajiv Ranjan**

Chief Consultant E&C

**Sandeep Kumar**

Designer & Architect

**Jeetendra Choubey**

Consultant Mechanical

## Our clients

- Fabrication and Erection
- Maintenance of Mechanical and Civil structure
- Manpower supply

- Fabrication and Erection of Firefighting and LPG line for IOCL bottling plant Chittoor, AP.
- Erection of LPG compressor, fire water pump, and other machinery.

- Fabrication and Erection
- Maintenance of Mechanical and Civil structure
- Manpower supply

- Installation of Industrial and Commercial Meter
- Consumer Survey (commercial)
- Lining HT wires under and above the ground.

- Fabrication and erection of mechanical structure in Angul, Odisha.

- Fabrication and Erection of mechanical structure and factory shed.

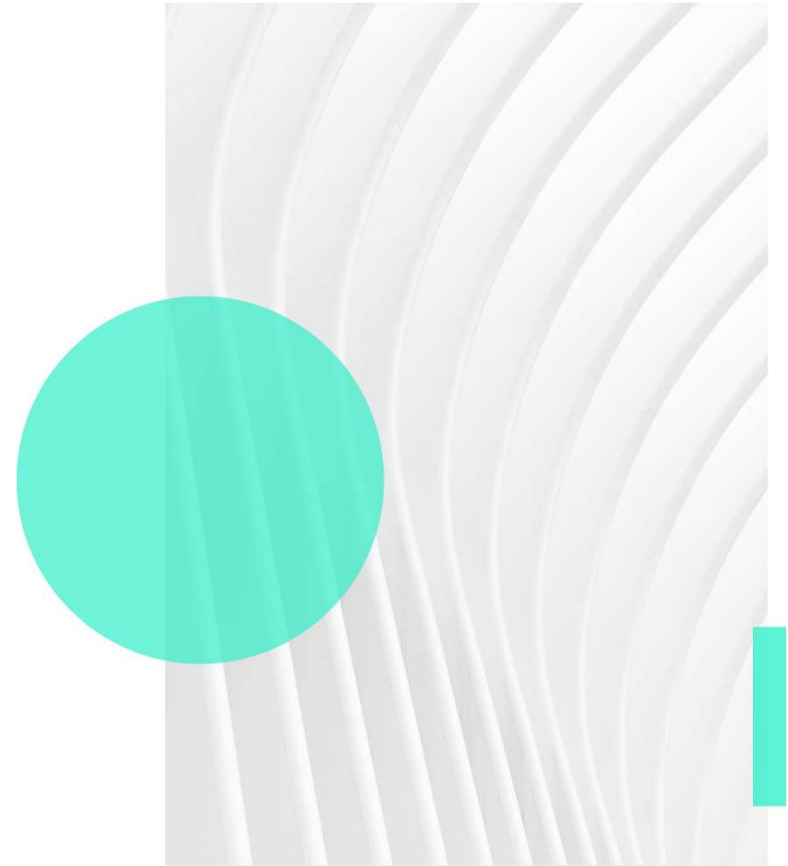

- Fabrication and erection of mechanical structure in Mysuru for GRASIM industries.

# SUMMARY

At Kawachi Infratech, we believe in giving 100%. By using our expert services, we help organizations to achieve its goals by completing the projects well within time at very competitive cost. We thrive because of our industry knowledge and great team behind our services. As our CEO says, "Efficiencies will come from proactively transforming how we do business."
